# Montreal Shriners Hospital

The Montreal Shriners Hospital is perched on Mount Royal, overlooking Montreal and the St. Lawrence River.

The Montreal unit was opened in 1925, 20 years before the era of the great teaching hospitals. Yet, from the opening day, the hospital has worked closely with McGill University and Université de Montréal, believing that as an institution that is continually discovering and creating new methods of treatment, it has an obligation to the world of education.

As organizations grow and change over time, so too do their objectives. When Shriners Hospital for Crippled Children was founded in 1922, its objective was to provide medical care to children with orthopaedic disabilities, primarily polio victims. At that time, little was known about crippling

diseases and only limited help was available for these children.

The Shrine opened its hospitals to address this unfamiliar area, and shortly after the first Shriners Hospitals were built, the field began to advance. Now, 65 years later, pediatric orthopaedic care has become very specialized. As the field changed, so did Shriners Hospitals - growing quickly into centers of excellence. With each step that was made in orthopaedics, the Shrine continued to progress. With the advent of the great university hospitals, shortly after World War II, the Shrine realized its potential to train orthopaedic surgeons and entered affiliations with medical schools throughout North America. By establishing its residency programs, the Shrine formally added teaching as one of its primary objectives.

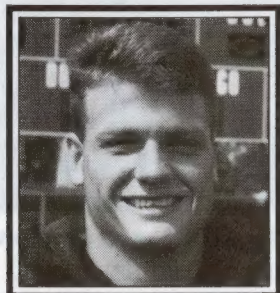

Research was added to the Shrine's agenda in the 1960's when the three Burns Institutes opened. In addition to providing care and training residents, these hospitals were involved in sophisticated research projects within the hospitals. By bringing formal laboratory research, as well as clinical research, inside the hospitals, rapid advancements were made in the burns care field. Realizing the effectiveness of this arrangement, the Shrine expanded its formal research program into its orthopaedic units.

It is important to realize that these three goals of patient care, teaching and research work together to enhance and improve the quality of any good hospital - including Shriners. You can view the Shriners commitment to all three as you would a three-legged stool - remove any one of the legs and the stool will topple.

Since 1975, the leadership provided by Concordia captains has been an integral ingredient in the Stinger's football success. Included in the illustrious list is head coach Pat Sheahan, All-Canadians Ron Aboud, Stéphane Chapados, Brian Vajdja and Greg Miller, as well as Nigel Smith, presently employed by the Calgary Stampeders of the C.F.L.

Coach Sheahan expects this year's captains to provide strong leadership on and off the field. They represent the very best of Concordia University, talented athletes who demonstrate outstanding leadership qualities.

# TODAY'S GAME

## 5TH ANNUAL SHRINE BOWL

**T**he fifth annual Shrine Bowl promises to provide local fans with another exciting contest as McGill and Concordia clash. Both teams are hoping to rebound from disappointing losses last week.

The Stingers dropped their first game of the year in Kingston when the Queen's Golden Gaels registered a convincing 49-22 victory. Despite the loss, quarterback Ron Aboud continued to rewrite the O-QIFC record books. Ron set a new career completion mark (380) against Queen's, after setting the league record for total career yards the week before against Bishop's.

McGill fell victim to Coultermania as an overflow Homecoming crowd cheered the Bishop's Gaiters to a 41-7 victory over the Redmen.

This year's game figures to follow bowl history as the Montreal football event of the year. For the second consecutive year the game will be an integral part of Concordia's Homecoming Weekend. Despite a steady downpour over 4500 fans watched the Stingers rally for a victory last year and organizers are confident that this year's match-up will set a new attendance record.

"We are pleased with the development of the Shrine Bowl over the last few years and are confident that it will continue to grow in the future for two good reasons," Concordia Athletic Director Bob Philip stated. "First, university football offers exciting sports action in a healthy atmosphere. Secondly and more importantly, the proceeds of the game go to the Shriners Hospital which has aided children throughout the world for over 50 years."

# A SHRINE BOWL HISTORY

**T**oday's game marks the fifth anniversary of the Montreal Shrine Bowl, and the event continues to grow in stature each year.

The game's original motto "Strong legs run so weak legs can walk" remains the motivation for the hundreds of volunteers who work year round to make the game a successful venture.

All net proceeds from ticket sales of the Shrine Bowl will go to the Montreal Shriners Hospital for Crippled Children on Cedar Avenue.

The concept of an annual Shrine Bowl game between teams in the O-QIFC is not a new idea. The best college football players in the United States have been competing in the East-West Shrine Game for over 60 years!

The East-West game is America's oldest all-star game and second only to the Rose Bowl among post-season games. Played for the benefit of the Shriners Hospitals for Crippled Children, the East-West game has raised more than \$10 million for the 22 Shriners Hospitals in the United States, Canada and Mexico. Concordia's Paul Vajda became the first Quebec player to participate in the prestigious all-star game this past January.

The first two Shrine Bowl contests could have just as well been renamed the "Mike Soles-Ron Aboud Show". In the 1987 game, Soles ran for 197 yards on 13 carries to account for over half of the Redmen total offense, while Aboud collected 120 total yards, including 94 rushing. McGill went on to win eight of their next nine games and a Vanier Cup Championship.

In the 1988 match-up, Soles was the McGill sparkplug once again, scoring 3 touchdowns as the Redmen recorded a 27-7 win, the largest margin in the game's history.

Bishop's scored a dramatic come-from-behind victory as they defeated Concordia 15-9 in 1989. The Gaiters scored 12 unanswered points in the fourth quarter behind the spectacular running of Keith Kelly.

The Stingers are looking for their second consecutive Bowl victory after registering an exciting 27-15 victory over McGill last year. McGill, behind the inspirational play of Steve Papp and the running and passing of Yanik Préfontaine, took a 15-0 lead in the third quarter. However, Aboud took charge in the second half as Concordia scored 27 unanswered points in the last 21 minutes of the game.

## Pat Sheahan - Head Coach

Coach Sheahan was selected as the O-QIFC Coach of the Year, an amazing feat for a second year coach. The native of Brockville, Ontario, who spent five years as Associate Head Coach of the McGill Redmen, hopes to take the Stingers past the first round of Ontario-Quebec Interuniversity Football Conference play-offs this season as the team continues to build towards national contention.

Pat's coaching career began in 1978 at Loyola High School. He coached Leo's Boys Bantam Football Club in 1979 before taking a two-year coaching hiatus. Sheahan hooked up with the Montreal Junior Concordes in 1982 and helped guide the team to a Little Grey Cup berth in 1983.

A graduate of Brockville Collegiate High School where he quarterbacked the Rams to league play-offs, Pat entered Concordia in 1975. A versatile player, Pat was switched to tight end and eventually earned all-star honours at tackle.

Sheahan was signed by the Edmonton Eskimos in both 1980 and 1981. He completed a Diploma in Sports Administration from Concordia University in 1981 after graduating with a Bachelor of Science (Cum Laude) in 1978. The resident of Kirkland was a full-time employee at McGill in charge of the highly successful Summer Sports Camp.

## John Aiken - Receiver Coach

After a two-year hiatus in '88 and '89, John returns for his second year as the receiver coach. In his previous nine-year stint with the team he was credited with developing some of the finest receivers in the conference, including All-Canadian Gerry Prud'homme. A standout performer with the Verdun Maple Leafs, John had a tryout with the C.F.L. Toronto Argonauts.

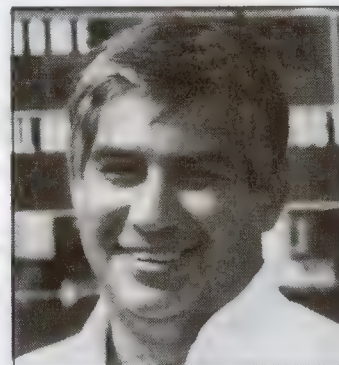

## Peter Regimbald - Offensive Backs Specialty Teams

The senior member of the Concordia coaching staff, Pete begins his eleventh season with the Stingers. One of the most respected football men in Quebec, Regimbald has successfully coached at Vanier College, Loyola College, and now is in his second stint with the Stingers.

A former wide receiver with the Montreal Alouettes (1965), Regimbald played college football at St. Francis Xavier. His university coaching career began in 1970 at Loyola where he helped lead the Warriors to three league titles in the seventies. Regimbald also helped coach the Loyola hockey team in 1974 and 1975.

The native of Montreal has been employed as the Student Liaison Director for Concordia since 1975. He has been invaluable to the Athletics Department as an academic advisor.

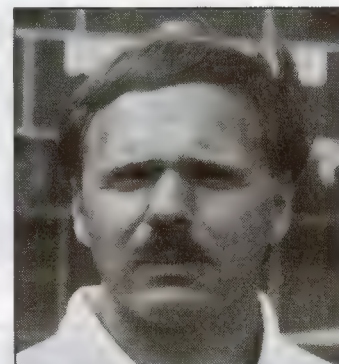

## Peter Chryssomalis - Defensive Coordinator

Peter returns for his second season as defensive coordinator. He came to Concordia in 1989 after an outstanding tenure with the Chateaugay Raiders where he captured two provincial titles in three years.

The native of Montreal played three seasons for the Concordia Stingers (1980-82). He was a starting defensive halfback with the 1982 Ontario-Quebec Interuniversity Football Conference championship team which came within one game of reaching the Vanier Cup.

The resident of Lachine is one of the top young football minds in Quebec.

## Mike Enright - Offensive Line

Mike returns to coach the offensive line for the second consecutive year after one year with the offensive backfield. Under coach Enright's tutelage, the Stinger offensive line has produced some of the country's outstanding linemen.

The Montreal native played for Loyola College during the 1971 and '72 seasons. He is a big backer of high school football in the Montreal area helping to organize the Annual Football Banquet. A Loyola graduate, he also has a Master's degree in Education.

Enright is the Vice-Principal of Loyola High School and resides in Dollard des Ormeaux with his wife Johanne and their daughter Lauren.

## Art Farinha - Defen- sive Back Coach

The newest addition to coach Sheahan's staff, Art will handle the defensive backs. He comes to Concordia after a four year stint with the St-Hubert Rebels of the Quebec Junior League. During his tenure with the 1990 Quebec champs Art helped mold the Rebels squad into the number one defensive team in the league.

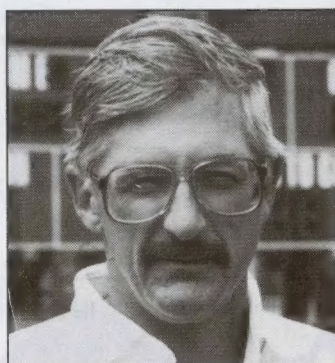

## Grant Allan - Defensive Line Coach

Grant begins his second season on the Concordia staff following a long and successful career with the North Shore organization. He coached the North Shore Lions and the North Shore Mustangs to league championships before leading the North Shore Broncos to a provincial championship in 1985. Pat Sheahan feels his knowledge, experience and positive attitude have been great assets to the Stingers.

## Bob Hurtubise

Coach Bob Hurtubise returns to the Concordia staff after a three-year hiatus. An outstanding athlete in his own right, with the West Island Royals and Pointe Claire Avengers, Bob will be an invaluable asset to the Concordia brain trust. The former defensive coordinator will work with both the offensive and defensive squads.

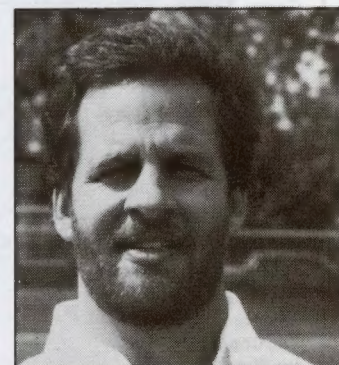

## Sylvain Jetté - Quarterback and Receiver Coach

A former Concordia wide receiver, Sylvain joins the Stinger staff after a three year stint with the French National Team. Sylvain who has coached CEGEP Maisonneuve and Vieux Montréal, will work with the wide receivers and offensive backfield.

## Ron Rappel - Head Athletic Therapist

Ron begins his sixth year as head therapist and co-director of the Concordia Medicine Center. In addition to his duties with the Recreation & Athletics Department Ron also lectures in the Exercise Science Department.
